

## **What information do we collect?**

We pass information from you to taxi company when you submit car booking, check the status or talk to call-center via messaging.

Information being sent depends what you write in the request. Additionally we pass your GPS coordinates and phone number at the time you press a button in the app.

We do not collect information about you in the internet web.

## **What do we use your information for?**

Any of the information we collect from you may be used in one of the following ways:

- To improve customer service
- To process transactions  
Your information, whether public or private, will not be sold, exchanged, transferred, or given to other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested by the customer.
- To send emails  
The email address you provide for order processing, may be used to send you informations and updates pertaining to your order, in addition to receiving occasional news, updates, related product or service information, etc.  
Notice: if at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.
- To administer a contest, promotion, survey or other site feature

## **How do we protect your information ?**

We use internal Android phone private storage for your data. We do not keep your information in the Internet.

## **Do we use cookies?**

We do not use cookies.

## **Do we disclose any information to outside parties?**

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety. However, non personally identifiable information may be provided to other parties for other uses.

## **Third party links**

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third party sites have separate and independent privacy policies. We therefore have no responsibility or liability for content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

## **Terms and Conditions**

Any reverse engineering of software interfaces or use them outside of published application is prohibited.

## **Changes to our Privacy Policy**

If we decide to change our privacy policy, we will post those changes on this page.

This policy was last modified 10/17/2014

## **Contacting Us**
